Appeal Evidence Compilation Checklist & Supporting Record Standards

==========

Official Healthcare & Insurance Knowledge Document

SECTION: Mandatory Supporting Evidence Compilation Checklist

A successful appeal submission package must compile: 1. Official Appeal Letter on hospital letterhead signed by Head of Medical Administration or Billing. 2. Treating physician’s detailed Letter of Medical Necessity answering the specific denial reasons. 3. Chronological medical history proving prior conservative care. 4. Diagnostic imaging films/reports with radiologist certification. 5. Exact policy clause citations demonstrating coverage eligibility.
