Hospital Claim Submission Guidelines, Mandatory Checklist & Deadlines

==========

Official Healthcare & Insurance Knowledge Document

SECTION: Mandatory Filing Timelines for Healthcare Providers

All network and non-network healthcare providers must submit final claim packages within thirty calendar days from the date of patient discharge. In cases of ongoing post-hospitalization follow-up, supplementary bills may be submitted within ninety days, referencing the primary claim number. Failure to meet the 30-day timeline without documented force majeure or medical emergency will trigger Timely Filing Denials under code TIMELY-01.

SECTION: Core Claim Submission Package Elements

Every claim submission package must include: 1. Completed and signed Insurance Claim Form Part A by Insured, Part B by Hospital . 2. Original detailed Discharge Summary bearing treating consultant’s signature and hospital seal. 3. Itemized final hospital bill with serial numbered service lines. 4. Original pharmacy bills supported by doctor prescription charts. 5. Diagnostic and imaging reports confirming the primary diagnosis.
