Aarogya General Insurance - Standard Health Insurance Policy Terms

==========

Official Healthcare & Insurance Knowledge Document

SECTION: Aarogya General Insurance - Coverage & Network Hospital Terms

---

Aarogya General Insurance covers in-hospital medical and surgical treatment across all accredited network healthcare providers. Inpatient admissions require a minimum 24-hour stay except for listed daycare interventions. A standard 15 percent co-payment clause applies to claims filed for treatment in non-preferred network hospitals in Tier-1 metropolitan zones.

SECTION: Pre-Authorization & Claim Submission Windows

Pre-authorization must be submitted 48 hours prior to elective surgeries. Final discharge bills and original payment receipts must be dispatched to the claims audit office within 15 days of patient discharge for post-hospitalization reimbursement reconciliation.
